“Fully Human, Fully Divine”. God created man in his own image and likeness. He breathed into his nostrils the breath of life. It was God’s own very life. This God’s life when he had given to human life, God wanted that man should achieve the fullness of life. In other words, the fullness of God’s life should achieve fullness in human life. This fullness was achieved in the person of Jesus for he was fully human and fully Divine. Thus anyone who is fully human becomes fully Divine since God’s very life comes to its fullness in man.

This fullness can be achieved only when man develops his entire being with all his dimensions – Spiritual, psychological, social and financial (material). This can’t be achieved alone. Since man is a social being he has to come together with others and create a community wherein all share and help each other to achieve their goals.

The booklet “Who is Who” is a small attempt in this direction where we have brought under one umbrella all business, professions, talents and services. It can help in two ways. On the one hand it can help the people of our parish to get easily the various services available in our parish. Secondly, it can help people with different business establishments and professions to market, develop and contribute to the society.

I thank Fr. Ivan D’Souza and Mr. Johnson Saldhana who have put in lot of labour in bringing out this book. May it pave a way for the all round development of our parish and the parishioners.

Fr. Dominic Vas
Parish Priest
Acknowledgement

Having a better communication system is the sign of growth and a sign of development in the society. For this purpose we decided to have a business directory where we can find all the important information and it also helps each person to link up to the other very easily thus helping in making the parishioners available to one another as well as approach the right people at the right time. For the good of the Parish Community, we are here with “Who is Who’ a special book containing individuals i.e. parishioner information on their business and profession in one line under various categories.

I would like to express my sincere thanks to all those who took special interest to publish this booklet. I sincerely thank Fr. Dominic Vas, Parish Priest, St. Joseph Church for writing an appropriate foreword for this book. Very special thanks to all the Fathers for their valuable suggestions. I owe a deep sense of gratitude to Mr. Johnson Saldhana, Marita Cabral, Christal Rodrigues, all the Area coordinators and animators for helping me to get this book ready.

I dedicate this book to all the Small Christian Communities of our Parish. I am sure all the Parishioners will immensely benefit from this book.

Fr. Ivan D’souza
Asst. Priest, Mira Road
